

2015 CYC Golf Championships

The 2015 CYC Archdiocesan Golf Championship Tournament was held Saturday, June 27th at Pheasant Run Golf Course, hosted by the West County District. Thank you to all the West County district volunteers who made the day a fun, exciting experience for the 150 golfers that participated.

We do want to make special mention of Blake Skornia, a 5th grade boy from St. Peter in Kirkwood, who was recognized for his Random Act of Sportsmanship during the tournament. Blake's score was turned in incorrectly. He went to the scorers' table and asked that the score be corrected and added a stroke to his score. That honesty and integrity is to be commended. Especially when that moved him out of 1st place! He is however 1st in Sportsmanship! Thank you Blake for showing all of us what CYC Sports is all about.
