

# John Conway Softball Camps

The John Conway Softball Camps provide unique learning environments for all levels of softball players - from beginners to elite college-bound players. The High School Players' Camp is designed for high school level athletes.

The mission of the John Conway Softball Camps is to provide competitive and intense personal instruction while motivating each player to improve her skill level and knowledge of the game. The camps will be administered by the Saint Louis University softball coaching staff as well as current Billiken softball players and several guest coaches.

## SLU head coach John Conway

Current Saint Louis University head softball coach John Conway boasts over 20 years of coaching experience in St. Louis.

Conway was introduced as SLU's head softball coach during the summer of 2006. He directed the Billikens to the best season in program history in 2007, surpassing numerous single-season school records. Saint Louis achieved a school-record 29 victories and advanced to the title game of the Atlantic 10 Conference Softball Championship. SLU has qualified for the A-10 Championship during each of Conway's four seasons, and the Bills have established 18 team season standards during his tenure.

Conway is still integrally involved in the club scene in St. Louis. He has coached the highly-touted St. Louis Chaos and St. Louis Sluggers summer select teams, and his clubs have made numerous Amateur Softball Association (ASA) and National Softball Association (NSA) regional and national appearances.
