

John Conway Softball Camp

The John Conway Softball Camp provides a unique learning environment for elite college-bound players.

The mission of the John Conway Softball Camp is to provide competitive and intense personal instruction while motivating each player to improve her skill and knowledge of the game. The camp will be administered by the Saint Louis University softball coaching staff as well as current Billiken softball players.

SLU head coach John Conway

Current Saint Louis University head softball coach John Conway boasts over 20 years of coaching experience in St. Louis.

Conway was introduced as SLU's head softball coach during the summer of 2006. He directed the Billikens to the best season in program history in 2007, surpassing numerous single-season school records. Saint Louis achieved a school-record 29 victories and advanced to the title game of the Atlantic 10 Conference Softball Championship. SLU has qualified for the A-10 Championship during each of Conway's four seasons, and the Bills have established 18 team season standards during his tenure.

Conway is still integrally involved in the club scene in St. Louis. He has coached the highly-touted St. Louis Chaos and St. Louis Sluggers summer select teams, and his clubs have made numerous Amateur Softball Association (ASA) and National Softball Association (NSA) regional and national appearances.

SLU pitching coach Glenn Knaebel

SLU assistant/pitching coach Glenn Knaebel has been active in fastpitch softball for the past 14 years as a player and a coach, helping numerous teams advance to regional and national tournaments.

Knaebel has mentored two of the top pitchers in Billiken softball history. In 2010, SLU's pitching staff shattered the program standard for shutouts in a season. It also ranks among the all time top three Billiken pitching staffs in strikeouts.

Knaebel also has three years of experience as a Division II assistant coach at Lincoln (Mo.) University. The Helias High School graduate has been active in directing softball camps and clinics and organizing Missouri ASA tournaments throughout central Missouri.
